

### UNIQUE CREATION PROJECT

Project Description: A unique creation is taking one existing creative "thing" (i.e. a song, a poem, a dance or a painting, etc.) - interpreting it in your own way - and presenting your own creation in another creative discipline.

### THE CREATIVE PROCESS

Icy Mountain Tops  
Feed the Long, Windy River  
Departing its home

Braving the fierce winds  
Stands a stubborn, desert tree  
Never submitting

Hard work to survive  
Promised Dreams so far away  
Unattainable

Lonely Tree in Woods  
Stands apart, different from rest  
Rejects conforming
